2019 McMorris Foundation Celebrity  
Slow Pitch Event Recap Video

Our leaders, Mark & Craig McMorris, were raised with the good fortune of participating in a vast array of sports.

Now making a career out of sport, they are passionate about the positive impact that sport has on individual lives and the community. Understanding the importance of sport in the development of adolescence, Mark & Craig created a vision for all youth to find their passion through sport.

Since 2012, McMorris Foundation fundraisers have generated approximately \$250,000 and assisted nearly 2,500 Saskatchewan youth to find their passion through sport. With your support, and our partnership with Jumpstart, we can continue to help our youth, making our community a better place to live.

See below for how to become a partner of the McMorris Foundation Celebrity Slow Pitch Tournament.

# JUMPSTART

([www.jumpstart.canadianfire.ca](http://www.jumpstart.canadianfire.ca))

Jumpstart is more than just about getting kids active. It's about giving kids from families in financial need the same chance to participate as their neighbours, their classmates and their friends. Whether it's the chance to try a new sport or to continue with a favourite one, no kid should be left out.
